

Faith Stenning Memorial Scholarship for Folk or Lever Harp Students

Thanks to a generous bequest from long-time Chapter member Faith Stenning, the Pittsburgh Chapter of the AHS is pleased to provide one-year scholarship memberships on an anniversary schedule to active folk or lever harp students up through 18 years of age. For consideration, each applicant should submit this completed form, a 150-word essay on goals for study of the harp (either handwritten on the back, or attached in a typed document), plus a letter of recommendation from his or her teacher to the Chapter Treasurer Bill Van Patten, either by mail to 88 Loretta Street, Bethel Park, PA 15102, or email to billvanpatten@gmail.com. Award decisions will be communicated within one month of receipt.
